Discipleship Seminar with Jay: setting up Discipleship Groups in your church

NEEDED:
 We are renting a van for July & August. The cost is **\$2,478**.
 We hope to cover this expense from donations so that what is received at churches could be used for directed ministry. If you would like to **help with the rental expenses**, we would be very grateful! Please email [Teanna](#) or use the Nazarene digital donation site for our family. Thank you in advance!
